Clinton Novem^r 28 1831

Rev E Robinson

sir in conformity with the
purposal you made & stated in your Letter to Esq
Williams your Agent last spring J. Powel J H Parmely & I (Mr Day flunkerd out Mr Powel a greed for the
whole a bove the road) we Accordingly and Jointly a greed
to take the Land and did Actualy take posesion with no
other object in View but of having a Deed as soon at least
as the First of June and we raised the Money and have
kept it in store Loosing the Interest and waiting and Cawling
upon your Agent untill a shamed and can neither hear nor
learn why this deley, thus the season is posed which to us
has ben of Considerable Interest to us much wanted to be done
as you might naturaly supose where premices have ben rented
so long. but has ben left the buildings are on the Verge
of falling down the Water at the school hous is very sobly
washing awey the Land and unless soon stoped will be much
loss for sombody, our object in purching was mainly
for the sake of building and repairing and to Accomplish
this many things are depending some of which want time
some we have alrady done and mor we want imeately
to do. were it necesary I could mention many more
things but I will ofer this as a polligy for requesting
you (in addition to what your Agent has writin) not
to delay to send us a title or at least a desition
I repeat it our reques is that you would Loose no time
in answering this

This from yours Simeon Nelson
